Drive - Organic Veg Nutri Boost

Beneficial Microorganisms

Drive Organic Veg Nutri Boost is a concentrated, water-soluble formula with sixteen carefully selected beneficial microorganisms that create an unprecedented synergy in your growing environment. It enhances nutrient availability and promotes vigorous plant development through a sophisticated microbial ecosystem.

Our proprietary preservation technology ensures optimal viability of beneficial organisms, allowing them to start working immediately upon application.

Key Benefits

-  **Phosphorus Mobilization:** Improved phosphorus solubilization.
-  **Nitrogen Acquisition:** Enhanced nitrogen fixation.
-  **Root Zone Expansion:** Expanded root surface area.
-  **Structural Reinforcement:** Strengthened root structure.

Application

- 1. Initial:** Week 4 of vegetation
- 2. Duration:** Continue through flowering stage
- 3. Integration:** Compatible with most nutrient programs

Advantages

- ✓ **Microbial Concentration:** Highly concentrated formula with 50 times more active beneficial microbes than conventional microbial products.

Product Characteristics

- Ultra-fine water-soluble powder, rapid dissolution in water.

Different Applications

Guaranteed Analyzed (%w/w)

Nitrogen-Fixing Specialists:

Bacillus subtilis

Phosphorus-Solubilizing Complex:

Lactobacillus casei

L. delbrueckii

L. bulgaricus

L. fermentum

L. plantarum

L. diacetylactis

Nutrient Cycling Enhancers:

Rhodospseudomonas palustris

Saccharomyces cerevisiae

Root Zone Optimizers

Bifidobacterium animalis

B. bifidum

B. longum

Mycorrhizal Enhancement:

Glomus intraradices

Compatibility

Works with Soil and Peat Moss, Coco Coir and Stone-wool. Avoid fungicides and disinfectants for 4-6 weeks after application to not negatively impact beneficial microbial growth.

Packaging

*Subject to availability in our warehouse stock.

Drive Organic Veg Nutri Boost is a water-soluble biostimulant with 16 beneficial microbes that enhance nutrient uptake and strengthen roots. Its preservation technology ensures immediate activation upon application. **Stronger roots, better growth, healthier crops!**
