

**IPM Foliar Spray**  
Eliminates Pests on Contact

# IPM Foliar Spray

## Eliminates Pests on Contact

IPM Foliar Spray implements multiple mechanisms to fight pest and mold infestations. This proprietary formula contains an array of active ingredients designed to coat the exterior of pests and mold, preventing respiration.

IPM Foliar Spray also disrupts the feeding process of pests as well as compromises their reproductive cycle.

### Key Benefits

-  **Residue-Free Application:** Leaves no residue on plants.
-  **Growth Stage Compatibility:** Safe to use during vegetative and flowering phases.
-  **Dual-Action Protection:** Targets both pests and mold.
-  **Localized Action:** Non-systemic.

### Certifications

25b, FIFRA, CDA  
approved ingredients.

### Advantages

- ✓ **Growth Stage Safety:** Safe to spray on plants during all stages of growth.
- ✓ **Natural Formulation:** Essential oil formula without harsh chemicals.

### Product Characteristics

- Liquid essential oil blend.

### Different Applications

### Guaranteed Analyzed (%w/w)

<b>Active ingredients:</b>	<b>10.5%</b>

\*Subject to availability in our warehouse stock.

## Formula 1 IPM Foliar Spray Usage

It targets and repels Spider mites, Fungus gnats, White flies, Aphids, Thrips, Caterpillars and Powdery mildew! Treats fungal disease by eliminating on contact species of Erysiphales fungi and other powdery mildew pathogens.

It contains antioxidants and vitamins that revitalize the natural defense mechanisms of the plant as well as aid in overall plant growth.

Alternating treatments of Formula 1 **Foliar Spray** & Root Drench provides the ideal rotation for your IPM (Integrated pest management) foliar applications. Ensure that you always pass state testing requirements with a healthy-clean crop by applying weekly foliar applications of Formula 1 IPM Foliar.

**Formula 1 Foliar Spray** has minimal impact on a substrate's beneficial microbiology. The botanical extracts and essential oils are all food grade GRAS materials (generally recognized as safe by the FDA when used as listed on the label).

## Eco Friendly Product

**Formula 1 Foliar Spray** is fully biodegradable, and non-toxic to animals. THIS PRODUCT IS EXEMPT FROM EPA REGISTRATION UNDER FIFRA 25(b). THIS PRODUCT IS A MINIMUM RISK PESTICIDE creating the least impact on the environment. **Formula 1 Foliar Spray** can be used on a wide variety of plants, fruits, and vegetables.

This product has not been registered by the United States Environmental Protection Agency. Dutch Direct acknowledges that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act FIFRA 25(b)
